*What are people saying....*

**Amazon “Hot New Release” for Acting and Auditioning**

May 2018

**“Meredith Day's wisdom and treasure trove of sage advice has been a game changer for so many lives she has touched.”**

Joey Paul Jensen CSA

Producer – Casting Director - Performance Coach

Disney/Nickelodeon

**“Meredith Day has written the ultimate guidebook for anyone aspiring to make it in the entertainment industry. Her years of experience give “Starmaker Machinery” a unique perspective. Don't waste another minute trying to educate yourself on the ins and outs of the entertainment world. Buy this book and get an insider's advantage.”**

Del Breckenfeld, VP - Director, Entertainment Marketing for Fender Musical Instruments Corp.

Author of "The Cool Factor: Building Your Brand's Image Through Partnership Marketing."

**“I rated this 5 stars because it gives exactly what it says it's going to give. A clear concise, step-by-step, understandable, doable, achievable pathway to becoming a working actor in Hollywood. If you're contemplating, read this. If you're already here, follow it. If you are struggling, find out why and fix it. Meredith keeps it real, and in Hollywood that's rare.”**

Marina Martins

Writer /Producer/Director

**“Extremely helpful for those considering any kind of acting career - dozens of practical tips on every topic imaginable. An amazing publication.”**

J.B./Classical Singer/Musician

Estes Park, Colorado

**Starmaker Machinery is chock-full of information for all parents of newbie child actors, as well as the talent themselves. All the vital information taught here includes the down-and-dirty of the industry; this book should be a mandatory read and be carried, like a bible, to every call back.**

Rich Tamayo – TVP Productions, Burbank

Actor/Producer/Director

**“A brilliant perspective from someone with a lot of valuable experience!”**

Shari Brasher/CEO Fresh Start Surgical Gifts

Hidden Figure - Chargers Cheerleader to CEO

**“Starmaker Machinery includes a ton of information that was very useful to my son's music career. It is a great place to start!”**

Pat Paulsen
